

CBD PAYMENT PROCESSING

DOMESTIC • SAFE • SECURE

With a SG-Associates CBD Merchant Account, you can operate your business in an open, honest and 100% legal manner.

SG-Associates will underwrite merchants selling CBD products with < 0.3% THC, online or in a card present setting. Our U.S based high-risk division is here to help you mitigate chargebacks and dispute risk.

CBD merchants will benefit from more efficient processing rates and have access to SG-Associates's support and operations teams, along with the latest technology solutions in card processing devices.
